PROGRAM CODE: AS.ARTS-SCI.NUR

FACULTY CONTACT: M. Stephen Ailstock, Ph.D.

PROGRAM NAME: Arts & Sciences Transfer - Nursing (Prebaccalaureate Nursing)

PROGRAM SCHOOL: Science & Tech

AACC faculty developed the following charts to encourage greater success in your program of study. Why take classes in this order? The courses in the first column are designed to prepare you for courses in the second column and so on. Students with no developmental requirements in English or reading may register for a total of 18 credits per term. If you are a part-time student, you may take fewer credits by dividing the recommended courses across multiple terms to accommodate your schedule.

1. Successful completion of ENG-121 fully satisfies the English composition general education requirement.
2. A more advanced level of math from the following list may be substituted for MAT-137: MAT 145, MAT 151, MAT 191, MAT 192, MAT 202 or MAT 230.
3. If appropriate, a different CTA or CTP course that also meets the computing and information technology requirement may be selected.
4. Students transferring to the University of Maryland Baltimore should take CHE-115. Students transferring to an allied health program that requires two terms of chemistry should take CHE-111 and either CHE-112 or CHE-113, depending on the requirements of the transfer institution.
5. COM-111 or COM-116 strongly recommended.
6. No more than 3 credits of physical activity courses may be used as electives.

Note: Minimum of 60 credit hours required for degree.

Where course choices exist within programs, transfer students should consult with an advisor and use transfer resources to make course choices consistent with the requirements of their intended transfer school.

This course has a credit course prerequisite. Specific course prerequisite information can be obtained by looking at the Course Descriptions section of the College Catalog or in the Schedule of Classes.

This course meets the diversity requirement or the diversity requirement can be met simultaneously as you satisfy this requirement. Only one diversity class is required to meet the diversity requirement. Courses which meet the diversity requirement can be found in General Education Requirements section of the College Catalog or by looking for the diversity symbol placed next to course descriptions in the Schedule of Credit Classes.
