¹ These courses meet the Transfer Studies concentration requirement. Students who have already completed BIO 231 may substitute BIO 231-232 plus an additional 4 credits of biology for their concentration. Consult with your academic advisor to discuss transferability.

² These are recommended courses for the online sequence. Students may substitute any course from the same general education category. Consult your academic advisor or refer to the college catalog.

³ The diversity requirement may be met here, or with an additional course.

⁴ These are recommended courses to best meet transfer requirements to UMGC (see below). Students may substitute any course from the same general education or elective category.

⁵ Recommended Courses: CJS111, CTP 194, HIS 111, HIS 211, ART 100, MUS 100, MUS 101. Any elective course can be used to meet the requirement. Consult your academic advisor or refer to the college catalog.

* Course must be completed with a grade of C or better for transfer to UMGC.

For a list of all courses available online, go to <https://www.aacc.edu/course-search/>

** This document contains a recommended sequence of courses to complete the degree online in five terms. Recommended courses are high-enrolled courses that can be expected to have online sections in the term in which they appear. Other courses from the same category can be substituted when they meet the program requirements. Refer to course catalog, your academic advisor, or your academic chair for more information.

This sequence supports a pathway to the **University of Maryland Global Campus (UMGC)** Bachelor of Science in Health Services Management. Refer to AACC's Transfer Agreements page <https://www.aacc.edu/resources/academic-services/transfer-services/transfer-agreements/> for more information.
